Submit your 200-word argument in the box below.

Oracle School District leadership and staff have done much with the support they've been given. In just the last couple of years, they've improved the Mt. Vista state grade from a "C" to a "B" and earned a five-star rating for kindergarten prep.
These achievements didn't happen without community support. It is critical to prepare children for learning as early as possible. Great progress in this area has been achieved by a combination of private and public funding. The Oracle Schools Foundation's funding of the kindergarten prep program prepares our kids for kindergarten and the override continuation approved in 2019 has funded full-day kindergarten, physical education, and other special programs in athletics, technology and the arts.
As the President of the SaddleBrooke One Board, I am acutely aware of the challenges organizations face in trying to achieve their mission and vision with limited funding. The Oracle School District is the pride of SaddleBrooke and residents here feel that they are making an important contribution to the future of this area. I hope you'll join me in voting YES in November.
