The Oracle School District, continues to excel with the quality of education provided to their students. Children are our future. We have provided our support in the past, most recently, with the approval of the Maintenance & Operations Budget Override in November 2019. This November's ballot, will ask voters to continue to provide their support, with a yes vote, for seven additional years of the Maintenance & Operations Budget Override. This override is funded through a tax, we already pay, in our property taxes. As such, this is not an increase in taxes, but a continuation of a tax. More than ever, any opportunity we have, to provide children an enriched education we should act. The Oracle School District has achieved tremendous success over the past few years and ensuring the Maintenance & Operations Budget Override continues, provides them the necessary support to protect their progress and support future growth and success. Voting YES, to renew the Maintenance & Operations Budget Override, provides the Oracle School Board the resources needed to continue educational programs that enhance the quality of education provided to the students of Mountain Vista K-8 School.
