I've been the co-owner of Sue & Jerry s Ranch Store Center in Oracle for almost 38 years. I've seen a lot of change in our community. Through boom and bust, the Oracle School District has been there for our children.

As a small business owner, I appreciate how opportunity combined with elbow grease can propel success. My husband and I worked hard to achieve our dreams. I am glad OSD gives our students the chance to achieve theirs.

Please support Jerry and me by voting YES on Prop 478. It will not increase our taxes. It will continue the taxes we now pay that help maintain moderate class sizes and keep vital programs. It is not an expense, but an investment in our communities futures.

Our family has been a part of the Oracle School District for over 65 years. Jerry attended in the late 50's, our sons, and grandkids went there from the late 70's to present. We are supporting the override because it s not investing in administrators but the KIDS and the classrooms. Also, the number one reason we support this is because it allows the school to offer music and art , we are on board!!
