

Partners Preschool

Florence Unified School District #1

Child Find is a component of the Individuals with Disabilities Education Act (IDEA '04) that requires states to locate, identify, and evaluate all children with disabilities from birth through age 21, located within their geographic boundaries who are in need of early intervention or special education services.

If you have concerns about your child's development, or would like them to serve as a typically developing peer model in our program, please contact our Partners Preschool team in order to schedule a developmental screening. Our screenings are held at least every 45 days, and will be held at our Early Childhood Learning Center. (Formerly Building Blocks.)

Along with hearing and vision, your child will be screened in the five areas of development:
(Adaptive, Cognitive, Communication, Personal/Social, Physical)

If you have any questions or concerns, or suspect your child is in need of services, please contact us to schedule a screening appointment.
