As a proud member of the Apache Junction Community, I wholeheartedly support the upcoming bond election for our school district. The bond is essential for enhancing the safety, security, and overall quality of our schools. Our children deserve a safe and modern learning environment, and this bond will make that possible.

The bond will fund critical safety upgrades across all campuses, much-needed repairs and maintenance of aging buildings, and improvements to our high school football field, including new bleachers and a press box. It will also allow for the construction of a start-of-the-art Athletic Field House, providing top notch facilities for our student-athletes. With our community growing, the bond also covers the purchase of a new school site to ensure we have enough space for all our students. Our District has used up the limited funds available from the School Facilities Division, making this bond crucial for maintaining and improving our schools. The \$20,000,000 will be paid within twenty years. By voting in favor, we are investing in the future of our children and the strength of our community. Let's come together to support this bond and provide our kids with the best possible educational environment.
