Submit your 200-word argument in the box below.

Apache Junction Unified School District's Bond Election is critical to our children, teachers, and staff, because safety and security is not a luxury, but a necessity. We currently have a School Board and Superintendent that are strongly committed to improve education and safety. But, commitment alone without the resources to provide a safe learning environment is not enough.

Therefore, it is necessary to help me support this Bond Initiative. We are living dangerous times and it is our responsibility to protect and nurture our children, in a safe healthy environment. This Bond will enhance security systems, implement an emergency preparedness operation, and make the necessary structural improvements, of outdated buildings, bath and locker rooms.

I know no one wants to approve more spending during these inflationary times, but the good news is that the old bond is expiring that was costing us 61 cents per taxpayer and this new Bond will only add 21 cents per taxpayer, this proves that your new Board and Leadership are very cognizant of your investment and to the future of our Children. I have never voted Yes to a bond initiative, but this time I will vote "YES."
