I, Anthony Smith, fully endorse the upcoming bond measure on November 5, 2024. As one of our early residents of the City of Maricopa, keeping up with Maricopa's population growth has been challenging. While Maricopa offers parents a multitude of educational options, public education is still the backbone for achieving educational excellence. Prop 488 will result in the creation of two bonds to fund the construction of two new schools. Neighborhood schools create community, a place where kids that live in a neighborhood can play and learn together. State funding alone is insufficient. These bonds bridge the gap. Without bonds, decisions between essential features like indoor cafeteria space or necessities like chairs for students and teaching stations will be made. Prop 488 delivers on the need for fiscal responsibility that will result in No Tax Rate Increase. Plus, the bond specifies clear goals and projects. Let's work together to ensure a bright future for our students and our community. Vote YES on Prop 488 on November 5, 2024.  
Sincerely,  
Anthony Smith
