- Bond
- Maintenance and Operation (M&O) Override
- District Additional Assistance
- Lease/Sale/Exchange
- Other

Submit your 200-word argument in the box below.

I support Prop 488 on the ballot this November. This bond measure will allow for the construction of new K-8th grade schools and the upgrade/expansion of existing schools. A yes on prop 488 will allow the district to accommodate the growth of the city and the rising student enrollment WITHOUT increasing current or future tax rates. Our current system for how the state of Arizona funds the building of new schools is outdated and does not reflect current costs of construction.

By approving the bond you will help to expand educational facilities keeping class sizes optimal and improve academic access, safety, and outcomes to all students. This measure has been planned to provide a positive impact for our community including enhancing property values without increasing taxes. Having a healthy robust public school district underscores our community's economic growth and longevity.

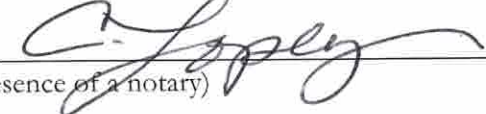

A citizen's oversight committee will monitor the use of bond funds and provide regular updates to our community. Supporting this bond is critical for maintaining the high quality education our community expects and deserves. Let's work together building a bright future for our students and our community. Vote YES on prop 488 this November 5th, 2024.
