The growth we are seeing in the Maricopa Unified School District means the district must act to continue providing the expected and required resources. Prop 488 helps address many of our issues by funding two K-8 schools and increasing classroom space at Maricopa High School. The bond does not raise property tax rates.

This is a no-brainer for the school district's citizens. As a business owner and fiscal conservative, I am 100% in support of providing the district with the money needed to ensure we have the schools required to meet our community's needs.

Vote yes on Prop 488.
